

Summer 2021 Sailing Session Fee Schedule

This summer we are excited to be offered clinics prior to the start of our sailing season. There's a clinic for everyone! There will be two one-week long clinics offered for both the Opti and 420 race teams. These clinics are not mandatory but strongly encouraged. Our regatta season takes off as soon as our sessions start, and we want to make sure our racers feel prepared. We will also be offering 1 day pop-up clinics for Opti and 420 sailors. This will be a chance for sailors to shake off the rust and get reacquainted with the boat. These one-day clinics will also serve as a great introduction to the Opti or the 420.

Class type	Duration	Fee
Opti or 420 Race Team Clinic Fee	1 week	\$275
Opti or 420 Pop-Up Clinic Fee	1 day	\$75

Non-Member Fees

The BYC Junior Sailing Program is open to those who are not members of BYC. All non-members are required to pay the non-member fee. We will continue to use the tiered fee structure that we used last summer with the addition of a tiered fee structure for the clinics. The fee depends on the number of sessions or clinics the sailor is enrolled in. Fees are per session not per family. Grandchildren of current members DO NOT need to pay this fee. The Non-Member fee is added during registration.
